

Homework Page Examples

We give the students a homework page each week using math, vocabulary, social studies, science and bits and pieces and encourage them to work with their families on it. Here are the homework pages we've used for the Quest weeks. (I've left them in Word format so you can edit them easily for your classroom. Yes! You're encouraged to modify these pages - or anything on this site.)

- [Yukon Quest Introductory Week](#) ^[1].
- [Yukon Quest - Week 1](#) ^[2].
- [Yukon Quest - Week 2](#) ^[3].
